CUFF COLOURS

**Product Features:**

**3D Hand Former**

The incorporation of 3D hand former technology ensures an ergonomic and superior fit, providing enhanced comfort and performance tailored to the unique contours of your hand.

**Cut Indicator**

The glove features a cut indicator, aiding in the proper selection of gloves based on their level of cut protection, ensuring safety and suitability for the task at hand.

**HPPE and Steel Fibre**

The combination of HPPE (high-performance polyethylene) and steel fibre achieves cut level F protection, offering the highest degree of defence against sharp objects and ensuring maximum safety in high-risk environments.

**Sandy Nitrile Coating**

The sandy nitrile coating is ideal for handling oily parts, offering enhanced grip and control even in slippery conditions, ensuring safety and efficiency in the workplace.

**Thumb Crotch Reinforcement**

The thumb crotch reinforcement enhances durability, providing extra strength at a critical stress point to withstand wear and tear, prolonging the lifespan of the glove.

**Outercase Dimensions:**  
540 mm X 350 mm X 280 mm
